

# B.U.G.S. 10<sup>th</sup> Birthday

Founder Members

Janet Tromans, Jenny Collings and Julia Chute

In May three of the four Founding Members of B.U.G.S. were able to be together for the Annual General Meeting to celebrate 10 years since the foundation of the charity.

Later, the B.U.G.S. Volunteers arranged a 'Thank You Celebratory Party' for all those who have supported B.U.G.S. either by donations or contributions of a practical nature.

Savills kindly sponsored the printing of the invitations, while the volunteers provided the food and the venue. The party proved to be a very jolly and successful evening with a raffle gaining further funds for B.U.G.S.

All the support B.U.G.S. has been given shows how much those who provide it feel for people who have been burned. Without their help B.U.G.S. would not be able to provide the following for the benefit of our members.
